

Computer Permission Form

I agree to assume responsibility for the following child in the use of computer stations at Bell Memorial Library and give the child permission to access the Internet. I understand that some of the materials on the Internet may be objectionable, but I accept responsibility for guiding the child's ethical use of the Internet by setting and conveying standards for the child to follow when selecting, sharing and exploring information. I understand that the Library cannot control or monitor what the child obtains on the Internet.
